Elyse Levesque

AGE: 25 **HOMETOWN:** Regina

YOU KNOW HER FROM: Her role as Chloe Armstrong on the popular science-fiction series *Stargate Universe* alongside *ER* alum Ming-Na and *Ugly Betty* star David Blue. **WHY SHE'S HOT:**

She recently caught the eye of a casting director for a Robert DeNiro film at an HBO cocktail party. **FOODIE FIX:** "I love chips and dip. But it has to be my grandma's secret dip recipe."

LINGO: "I say 'like' a lot. But I think that's a generational thing. People use 'like' as a replacement for, I don't know, actual *intelligent* words." **BAD ADVICE:** "I used to model when I was a teenager. This casting agent had flown in from Asia, and at one point I smiled and she said, 'Don't smile. You'll get wrinkles.' I was 15!"
